

Precision in practice

Introducing the next-generation Zio[®] service

The Zio service monitoring solutions.

Comfort. Ease. Accuracy. Zio ECG monitors are designed to provide high-quality, accurate data with astounding patient compliance for up to 14 days of wear time.¹⁻⁶

Long-Term Continuous Monitoring Service

NEW

Next-generation Zio[®] monitor

Lighter, smaller, and thinner—the new Zio long-term continuous monitor builds on the industry-leading performance of Zio XT while delivering an impressive 99% compliance.^{3,7}

Zio[®] XT

The monitor that changed the game. Zio XT monitoring service provides continuous, uninterrupted recording and a comprehensive end-of-wear report.⁴

Mobile Cardiac Telemetry Monitoring Service

Zio AT[®]

Zio AT monitoring service provides continuous, uninterrupted recording, actionable wear-time reports, and a comprehensive end-of-wear report.^{5,8-10}

Products shown are not to scale

End-to-end service that aims to simplify cardiac monitoring.

ZIO[®] SUITE

ZIOSUITE PORTAL AND APP

Everything providers need in one place. Interpret reports, manage patients, and more—from the computer or on the go with the provider mobile app.

MYZIO[®] APP

Supports patients on their monitoring journey with educational content, reminders, and symptom logging.

EHR INTEGRATION

Seamless EHR integration streamlines workflows and simplifies scalability.

ZIO[®] REPORT

Curated reports generated by FDA-cleared, advanced AI and verified by Certified Cardiographic Technicians with 99% physician agreement.¹¹⁻¹⁵

Perfecting the experience is at the heart of the Zio service

Comfortable and easy-to-use with no charging or electrode manipulations needed. It's no wonder patients prefer Zio ECG monitors.^{4-6,16}

Territory Manager, Key Account Manager

Dedicated strategic partners to support your team

Customer Experience and EHR Teams

Subject matter experts provide white-glove workflow integration and support

Clinical Operations Team

World-class Certified Cardiographic Technicians review and curate reports before you receive them

Billing Team

Revenue cycle business partners and patient financial navigators handle billing questions so you won't have to

Customer Care Team

Inventory management and customer satisfaction specialists are available 24/7/365

Support with a human touch
